INTRODUCTION

Our global fashion collection offers premium elevated fabrics in high-gauge poly/elastane blends with cooling ventilated structures. Our fabric is superior because it doesn't wrinkle, is breathable, cool to the touch, doesn't shrink or fade, is sustainable, and is constructed with fabric so dense the fabric isn't sheer. Every time the garment is worn is like its first time out of the box.

All our polos include a collar stand with specially-curated interlinings for a more tailored semi-spread collar, as well as our trademark engineered seams ("Swing tech"), which brings improvement for every movement.

Our fashion shorts feature fun but tasteful conversational prints, all engineered with unique stretch, swing tech seams, and ventilated structures.

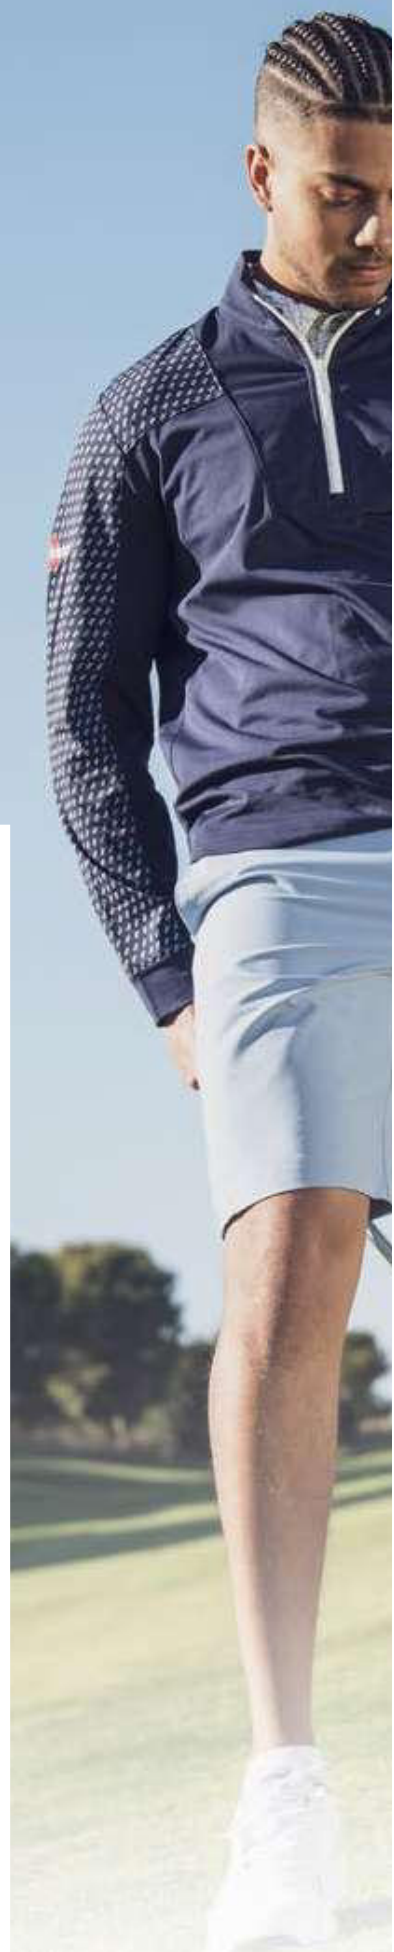

At Callaway Apparel we're focused on creating all-day performance essentials with sustainable designs of superior-quality and versatile pieces that allow you to do more with less. This season, we're proud to offer our most extensive range of essential printed polos.

#IWEARCALLAWAY

MEN'S COLLECTION

The tone of the season for the Spring 24 Callaway Men's collection is fresh yet classic, with looks that are bound to be favorites for spring/summer wardrobes.

Conversational prints this season are inspired by iconic golf destinations like Pebble Beach and the Seminole Golf Club. We used the terrain as well as the native flora and fauna for each region for print motifs. Calmer statement prints in playful shapes, textures, and patterns keep the collection fun yet sophisticated and elevated.

Feeding into the consumer demand for easily wearable prints that will stand the test of time, we curated a brand new assortment of Chev logo trademark prints -- including an update to our bestseller gingham print with a twist.

The aesthetic for the Callaway Men's Collection is modern with a classic spin via print and pattern. We don't follow the trends but acknowledge them and present our version with our DNA which is subtle and refined, ingrained in performance. The Callaway Collection is trans-seasonal and classic, where essential pieces become staples due to their timeless aesthetic and can be worn for longevity throughout several seasons.

LADIES COLLECTION

For Spring 24, the Callaway's ladies collection is feminine and sporty with all-day active essentials that have a lot of crossover appeal. The collection can be merchandized in a traditional golf aesthetic or more crossover for a younger minded consumer.

The print story this season is influenced by combining natural and artificial motifs to create bold and surprising effects on print and pattern. Butterflies, flowers, birds, and textures are hyped up via colour-changing surfaces or digitized effects.

Geometrics this season are updated with playful, overlapping shape-effects, while florals have a refreshing appeal of abstract form or the use of our chev logo details.

We continue to expand our dress offering by updating classic styles with the addition of unexpected Chev trademark seams and details, as well as new printed options.

We're excited to announce a new fabric update in our sun-protection category: An amazing nylon/elastane texture with cooling properties, which is ultrasoft to the touch.

We have new, updated bottoms added to the range. Like our new 4 way stretch pant and the new asymmetrical colour block skort. We're also introducing a new, super lightweight, 4-way stretch pull-on pant.

LADIES DELIVERY 1

(15TH JANUARY)

The palette in the first delivery has a calming effect, thanks to the inclusion of soft pastel colours like party pink and pale iris. The addition of papaya creates a serene yet upbeat mood to this assortment

A woman with dark hair in a ponytail, wearing a bright pink polo shirt and a white skirt with a colorful pattern, stands on a golf course. She has a golf club resting on her head. The background shows a lush green landscape with trees under a clear blue sky. The text "LADIES ES" is overlaid in the center.

LADIES ES

A woman is shown from the waist up on the left side of the frame. She is wearing a bright pink, long-sleeved top and a white skirt with a colorful, abstract pattern. She is looking towards the right. The background is a lush green golf course with a line of trees in the distance under a clear blue sky. The word 'ESSENTIALS' is overlaid in large white letters across the center of the image.

MEN'S SIZES

NECK
Measure at bottom around entire neck

CHEST WIDTH
Measure 1 inch below your armpit around entire torso

WAIST
Measure around your waist at the narrowest part of your lower torso

WOMEN'S SIZES

BUST
With your arms relaxed at your side, measure the bust line at the fullest part of your chest. Pull tape tight without changing the shape of your breasts.

WAIST
With loose tape, measure around your torso at the smallest part of your waist.

HIPS
Wrap a measuring tape around your body at the fullest part of your bottom. Be sure the tape is flat against your body and parallel to the floor.

• **SUPPLY US WITH YOUR LOGO**

This should be a high resolution electronic PC compatible artwork file, supplied in any of the formats shown below:

These files should be readily available from your marketing department or your advertising, design or pr agency. Please ensure that any fonts used within your logo file have been converted to outlines. You can supply your electronic file on CD or by e-mail.

Other logo formats: If necessary we can also potentially work with other high resolution (300dpi) file formats of PSD, TIFF, JPEG, BMP, GIFF or even a good quality printed copy of your letterhead, compliments slip or business card. However please note that if it is necessary to work with any of these alternative formats, this can cause delay and may incur additional charges.

• **COLOUR REFERENCES**

Please supply us with any Pantone (pms) colour references or run sheets detailing the thread colours required for embroidery.

• **ARTWORK PROCESS AND PROOFING**

Our studio production team will apply your logo to the products that you have selected and a pdf proof(s) will be sent out by e-mail to the contact address you have supplied. Once you are satisfied with the proof(s) and confirmed your approval we will commence production of the finished products.

• **SHIPPING**

We work to some of the tightest production lead times in the promotional industry and will always work with our customers to endeavor that we meet your required deadlines.

LOGO POSITIONS & EMBROIDERY TYPES

- 1. Wearer's Right Chest
- 2. Wearer's Left Chest
